Golden Peacock

Innovative Product / Service Award Scheme

GENERAL

The Golden Peacock Awards Secretariate (GPAS) has great pleasure in inviting applications for the '**Golden Peacock Innovative Product / Service Award.**'

Innovation is going to be the key for business success in the new millennium. 'Innovation' is to 'knowledge economy' what 'efficiency' was to 'industrial age'. Wealth in the new century is not going to be created by optimisation but by innovation. Most of products that we use today have already reached a stage of maturity and 90% of these will disappear in the first 10 years of the 21st Century. Our cars, houses, clothes, TVs, Computers, phones and even food are going to be changed in ways we cannot even imagine today. All this is grist to innovator's mill. Innovation will be the key competitive differentiator in the 21st Century.

Internet has created a Cambrian explosion of unlimited opportunity. Innovative products / services powered by computers, microchips and using the convergence technologies of mobile phones, e-mail and internet will bring a revolutionary change in our life style and in the world economy. The need is to constantly produce innovative products and services to satisfy even the unexpressed wishes and unarticulated needs.

CRITERIA

We believe that innovation is the only way to provide environmentally friendly products and services that will help us achieve "factor 10" improvements that are necessary to maintain the same quality of life in the new century. It has therefore instituted a special award called 'Golden Peacock Innovative Product / Service Award'. This award will be given to a product or service, which shows a quantum jump in the exploitation of current technology to achieve maximum customer satisfaction at minimum cost. While calling for more sustainable pattern of production and consumption, it motivates to carry on their pursuit of excellence. The Award is designed to encourage systemic innovation in organisation to make products and services required in the new century.

THE AWARD

The 'Golden Peacock Innovative Product/Services Award' named after India's national bird the "Peacock" will be awarded every year to the most innovative product as determined by the satisfaction of customer's long term unexpressed and unarticulated needs and aspirations in a most cost-effective manner which is consistent with the society's goal of sustainable development. Each award winner would receive a Trophy together with a Certificate. The winners may use the "Golden Peacock Innovative Product / Services Award' logo on their stationery and other printed and promotional materials for a period of 3 years.

The award would not only spark creativity and innovation throughout your enterprise but also is the surest route to your market leadership by helping you to thrive from the change and uncertainty that become the hallmark of the new age.

Eligibility

Products and services introduced in India by Government/Public/ Private Sectors, (covering research, manufacturing and services sectors e.g) Research Organisations, NGO, Hospitals and Educational Institutions during the last two financial years are eligible for the Award.

Categories

The Golden Peacock Innovative Product / Services Award would be considered separately for the following categories of products / services sectors:-
